- Adjustable tilt, swivel, pivot, and height for comfortable viewing.
- IPS panel delivers clear, accurate images from any angle.
- Wide color gamut for vibrant true-to-life colors.
- HDR: HDR400 readiness enhances viewing with greater color, contrast and brightness levels
- Eye care features, including Flicker-Free and Blue Light Filter, reduce eye strain.
- Multiple connections, including HDMI, DisplayPort 1.4, and USB Type-C.
- Built-in 2W x 2 speakers for convenient audio.
- 100 x 100 mm VESA mount support for flexible installation.

The DW2702 is a versatile 27-inch monitor built to boost productivity in both office and home settings. Its WQHD 2560 x 1440 resolution delivers sharp image clarity, ideal for everything from document editing to creative design. USB Type-C connectivity enables power, video, audio, and data transfer through a single cable, with additional USB Type-A and RJ45 ports for enhanced connectivity. The built-in Ethernet port provides a stable internet connection when linked to your laptop via USB Type-C. The ergonomic design, with adjustable tilt, swivel, pivot, and height, ensures all-day comfort. With eye care features and a wide color gamut, the DW2702 is designed for modern professionals.
